Dear Sir,

I hear strong rumours that the District Development Officer of this District Sri V.Hanumanthappa, is transferred to Hassan District and that in his place some one else will be posted. In this connection, I wish to state that we have put up very heavy programme of Rural Development works for the next year and that they can be worked out very successfully if Sri V.Hanumanthappa is retained here for some time more. He knows the several leading persons of this District and also the places where several schemes can be worked up without much difficulty, as he is a native of this District as well.

L.B.

Hence I request you kindly to see that any proposal for his transfer is not approved for a period of at least one more year.

Yours faithfully,

Veerabasappa
